

Mark W. Clark Information

Biography

Mark Clark is President and Managing Partner of the firm. With more than 30 years practicing law, Mark has devoted his career exclusively to the representation of accident victims and their families. He has successfully represented accident victims against every major insurance company, automobile manufacturer and tire manufacturer, earning him a reputation for obtaining maximum results for his clients. His experience and hard work has resulted in more than 150 million-dollar verdicts and settlements throughout Florida and the United States.

Among his many accomplishments, Mark served as President of the Florida Justice Association, formerly known as the Academy of Florida Trial Lawyers, and Chairman of the Florida Justice Political Action Committee. Under his leadership, the organization was able to pass a bill that corrected a flaw in the Florida Wrongful Death Act and defeat legislation that would have had devastating effects on accident victims.

He is one of a distinguished group of attorneys who has been selected by his peers for inclusion in the prestigious publication, *The Best Lawyers in America*, for 10 years or longer, and is recognized in three practice areas of products liability litigation, personal injury litigation and medical malpractice law. Mark is also recognized as one of the Legal Elite in *Florida Trend Magazine*, has been named a Super Lawyer in *Florida Super Lawyers Magazine*, voted as one of the top lawyers in *South Florida Legal Guide* and selected as one of the Top 100 Trial Lawyers in America by the National Trial Lawyers.
